1. License Key Activation

After you install Houseplan and start up software, the system prompts you to choose Activate or Trial.

In both cases, please select a version accordingly first.

If you want to try Houseplan, just select Trial to get a 90-day trial of the software. During the trial period, the product performs as fully activated.

If you already have a valid license key, you can activate the software directly by selecting Activate to open Houseplan License Manager.

2. Standalone License Key

You need a valid standalone license key (serial number e.g. B05E-E707-6D01-0100-24EC-282B-5914-0400) to activate your Houseplan.

There are two methods provides in License keytab.

Online Activation: Activate license online

Manual Activation: Activate license manually

2.1. Online Activation

Instruction: Make sure your computer is connected to the internet.

1. Click Online Activation (O).

The screenshot shows the 'Houseplan License Manager' window. On the left sidebar, 'License Information' is selected, and 'License Key (L)' is highlighted with a red box. The main area has two tabs: 'Online Activation(O)' (selected and highlighted with a red box) and 'Manual Activation(M)'. Below the tabs, there is instructional text: 'If there is a license of higher version existing please [ACTIVATE](#) it directly. For a new activation, please input the license key and click Activate button.' Below this text is a 'License Key' label and an empty text input field. At the bottom right, there is an 'Activate' button.

2. Input your License Key (serial number) and click the “Activate” button

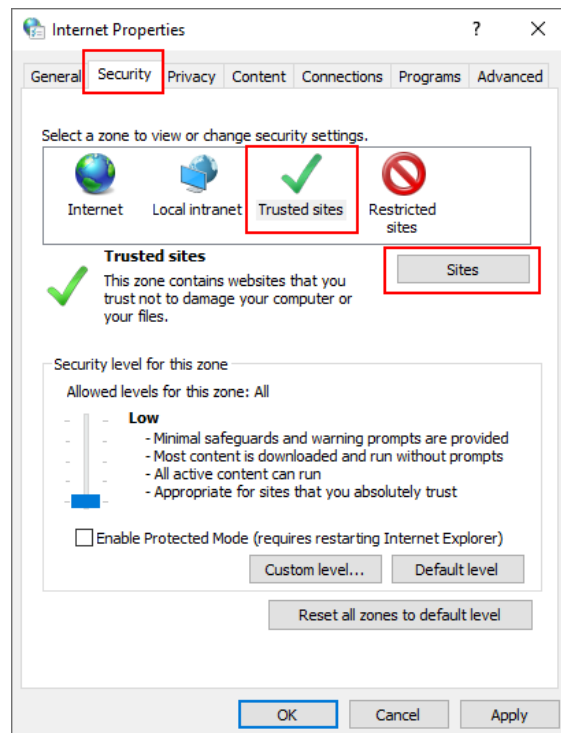

This screenshot shows the same 'Houseplan License Manager' window. The 'License Key' input field now contains the text 'B05E-E707-6D01-0100-24EC-282B-5914-0400'. The 'Activate' button at the bottom right is highlighted with a red box.

3. After a few seconds the following message appears. Click “OK” button to finish the activation. Then restart your Houseplan.

Note: For Windows Server operation system, if it prompts "Session does not exist" when activate or return Houseplan standalone license online via Houseplan License Manager, please check the following solution:

1. Open Internet Explorer (IE) and select Internet Options and then click Trusted sites from Security tab.
2. Add the following two sites to the trusted sites. <http://www.gisroad.com>
3. Click "OK" button to save the security settings. Then you can activate or return Houseplan standalone license online normally.

2.2. Manual Activation

Instruction: If your computer is not connected to the internet, you can use activation file (xml file) to activate your Houseplan manually.

1. Click Manual Activation (M).
